Parent Engagement

MARY MACKILLOP CARE

St Mary MacKillop College has always been a truly caring community, promoting concern for others at all levels. Drawing from the College motto 'Choose Life with Courage' and the example of Mary MacKillop, students, staff and parents alike frequently offer their time, talents and skills to assist within the community.

From time to time there are those in our community who may require a range of support while coping with crisis in their lives. You can now offer your assistance at these times by registering as a volunteer with the Mary MacKillop Care programme. Each year the P&F gather a database of volunteers willing to help when assistance is required. The database is then forwarded to the Head of Ministry, Ms Bernice Roche, who administers the care.

Help you are able to offer: (✓)

- Cooked Meal
- Housework
- Gardening
- Lawn Mowing
- Wood Supply/Chopping
- Ironing
- Car Problems
- Home Maintenance
- Children's Transport
