

St Mary MacKillop College

CHOOSE LIFE WITH COURAGE

7 May 2020

Dear Parents/Guardians,

With this cold change we are all experiencing, we'd like to advise that the Uniform Shop will be taking appointments for children already attending school, or in preparation for a full return to the College, to allow time for parents to organise winter uniforms or pickup orders.

Appointments will be available every day between 8:30am and 3:30pm from Monday 11 May for two weeks. To make an appointment please call Wendy Papasergio at Central Administration on 97527410.

We will be opening up the 'service' door on the side of the Uniform Shop to allow entry at your appointed time to comply with Government stipulation that Parents/Visitors are not permitted on Campus.

For your convenience tights and socks are currently available to purchase from Primary Reception and for secondary students currently on campus, from Student Reception.

I would also like to advise you of a change to the Girls Uniform Policy - tights are now optional with the Winter Uniform and girls may choose to wear either school socks or tights. A reminder also to check the length of your daughter's winter skirt, as a lot of growing may have occurred since they were last worn.

We will continue to keep you informed of any changes as they occur, particularly following the review of the current situation by CEWA on Monday 11 May. In the meantime, I encourage you to contact us should you need to discuss adjusting your financial arrangements with the College and remind you that the College is open and the option to send your children to school, where they will be supported with their Remote Learning, is available should you need it.

Regards

Frank Norton
