College Uniform and Grooming Policy

It is a condition of enrolment that all students at the College wear the College uniform and maintain an acceptable standard of grooming as set out in the College's Hair, Jewellery and Grooming Requirements.

- When wearing the uniform the student is representing the College in the wider community. The way students present themselves has an impact on the College's reputation in the community.
- Students need to develop the skill of presenting themselves to a particular standard.
- Uniform and grooming rules remove many of the peer pressures associated with dress and grooming styles.

The Uniform and Grooming Policy aims to:

- Reflect the generally accepted community standards for young men and women of this age;
- Consider issues of health, hygiene and safety (hats are to be worn for all outdoor activities);
- Discourage peer pressures.

All items of the uniform (except shoes) must be purchased from the Uniform Shop to ensure uniformity of colour, style and quality.
