

BUNBURY MEN OF SONG

Bunbury Men of Song Boys Ensemble

SCHOLARSHIP INFORMATION SHEET

Bunbury Men of Song is excited to announce the provision of up to five scholarships, for new members in 2022, to Bunbury Men of Song Boys Ensemble. The scholarships seek boys with an interest in choral singing and will provide an exceptional opportunity to improve their vocal technique and perform in a wide variety of settings, including with the BMOS men's choir. Interested boys are invited to apply, and the successful applicants will be selected following a short interview and audition process. The scholarship covers the membership fee for the year, but an application fee of \$25 must be deposited into the Bunbury Men of Song Account (**BSB: 633000, ACCOUNT: 170681696 please insert your child's last name in the narrative**).

If successful, a bond of \$50 for music and uniform will be required, this will be invoiced to you. It is a requirement that boys are available for rehearsals from 4pm-5pm Tuesdays during the school term at St Augustines Community Centre, Mangles Street Bunbury, and also attend performances during the year. Adequate notice will be provided to parents for these events.

If your son is keen to take this opportunity to be part of a renowned choir, then please complete and sign the application form and forward to the Secretary Dr Chris Lloyd secretary@bunburymenofsong.com.au.

Applications for scholarships close Friday 10th December 5pm. It is proposed that the auditions will be held the week following the close of applications, and will be conducted by the Musical Director Mr Ian Mills. The audition will consist of:

- You will be asked to sing 'Advance Australia Fair' unaccompanied.
- We also ask that you sing a song of your choice – please bring sheet music only (no pre-recorded music).
- A small number of aural tests
- Please bring your most recent School Report

This scholarship will allow an excellent potential not only for musical development, but also the camaraderie and team building that is an integral part of a successful choir. We encourage you to strongly consider this opportunity for your son if he has an interest in this area.

BUNBURY MEN OF SONG

Application for Scholarship for Bunbury Men of Song Boys Ensemble
