

## St Mary MacKillop College

CHOOSE LIFE WITH COURAGE

26 October 2021

Dear Parents and Guardians,

Last week the Premier, Mark McGowan announced a mandatory COVID-19 vaccination policy for our state, with a phased approach to a majority of occupations and workforces within Western Australia.

All staff at St Mary MacKillop College fall into Category two:

- Industries and workforce deemed critical to ongoing delivery of business and the function of the community;
- Mandating requirement in place to ensure the continuity of key services and businesses in the event of expected community transmission.

As such all staff (including relief) will be required to be fully vaccinated before the commencement of Term 1 in the 2022 school year.

This mandatory COVID-19 vaccination policy applies to **staff only, not** students.

Regards

Jo Painsi  
Acting Principal
