

Lead researcher:
Dr Marilyn Metta

SHARE YOUR STORY IN OUR HIDDEN VOICES PROJECT

What is the Study about?

Hidden Voices survey is the first focused study of the impact of children and young people's experiences and exposure to domestic and family violence (DFV) in Western Australia.

Participation involves completing an online survey, with the option to further share your story in an in-person interview with Dr Marilyn Metta.

Who are we looking for?

- Young people aged 9-24 years old
- Living in Western Australia
- Have lived experiences of or exposure to intimate abuse and/or family violence
