

Bunbury Flying School

"A great place to Learn and Live"

About Us

Bunbury Flying School is located at Bunbury Airport, the Gateway to the Southwest of Western Australia. The school has been in operation for over 20 years offering Commercial, Private and Recreational Pilot Courses. We operate 7 days a week offering students flexibility whilst learning to fly.

Why Choose us?

We are focussed on delivering high quality Aviation Courses which are CASA Approved and Industry recognised. The School proudly maintains a positive student culture which is central to our students learning outcomes and shaping their overall experience. We have a team of passionate and experienced Career Instructors to support and guide our students through the duration of their course.

Our Fleet

We operate a diverse fleet of aircraft providing students with varied flight training to meet and exceed course requirements and assist with job readiness and future career opportunities.

- Cessna 172
- Cessna 182
- Cessna 206
- Piper PA-44 Seminole
- Flight Simulator

Our School & Facilities

Bunbury Flying School is a large purpose built facility offering a range of equipment and facilities to manage and conduct our flight training. School facilities include:

- Student Planning Area
- Briefing Rooms
