CHOOSE LIFE WITH COURAGE

The Parents & Friends' Committee meets monthly to consider how they can lend support to the College, parents and students. Their purpose is to 'Enrich the College environment for all, by promoting connection and a sense of community, through our activities and service at the College.'

The P&F Committee aims to:

Encourage family involvement to develop a strong sense of community through various social functions.

Lead by example through parent engagement.

Foster relationships between school families and maintain strong relationships with College staff.

Contribute to the capital development of the College with enrichment projects.

Provide a forum for parents' perspectives to be communicated to the College Advisory Council and Principal.
