Enrolment Information

Conditions for Enrolment

1. St Mary MacKillop College is a Catholic School. The first condition for admission is that the potential student and parents accept the values underlying the Catholic philosophy of education and that the student undertakes to participate fully in the faith practices and observances of the College.
2. First preference in admission is given to families who are actively associated with the Catholic Church. It is not desirable to admit students if the values, beliefs and practices that are nurtured by the College are not encouraged and supported in the home. It is not possible to separate the educational and spiritual aims of the College.
3. When accepting a place at the College, the potential student and parents accept the obligation that the student will abide by the various policies the College has in place including standards of conduct and behaviour by signing the Agreement for Enrolment.
4. In accepting a place for their child at St Mary MacKillop College, the student's parents undertake to be supportive of the aims and programs of the College, and to be actively involved in the life of the College by participating in one or more of the parent volunteer groups.
5. Students are enrolled on the assumption that they are able to benefit from the academic and other programs of the College. It is to be understood that students, as well as receiving benefits, are expected to contribute positively to the academic and general life of the College.
6. Once a place has been offered to the student, a **non-refundable** deposit is required to hold the place. The place **will not be held** unless the deposit has been received by the College. This amount is a prepayment of the student's first year fees at the College and will be automatically deducted from the first family fee account.

Application Procedures

1. Application is made on the form headed "Application for Admission."
2. The form is sent to the College with the non-refundable application fee and photocopies (not original) of any relevant documents as noted on the Application for Admission Form.
3. You will receive an acknowledgement of receipt of the Application for Admission. This acknowledgement is not an indication that the application has been successful.
4. A Pre-Interview Student Details Form will be sent for completion once an interview has been set and is to be returned together with immunisation history and latest school report. Please note an interview does not guarantee an offer of enrolment.
5. The College will post a Letter of Offer of Enrolment should a place be offered.

Enrolment Policy

1. Applications for enrolment are accepted in the context of the Conditions for Enrolment stated left.
2. Acceptance of an Application for Admission does not guarantee a place, but simply includes the student's name on a waiting list with other candidates in that year of entry.
3. The following enrolment priorities apply to all applications:

Primary Campus

- Catholic students from the Parish with a Parish Priest reference
- Catholic students from outside the parish with a Parish Priest reference
- Other Catholic students
- Siblings of non-Catholic students
- Non-Catholic students

Secondary Campus

- Catholic students from non-Catholic schools with a Parish Priest reference
- Other Catholic students from Catholic schools
- Other Catholic students from non-Catholic schools

- Non-Catholic students

Aboriginal and Torres Strait Islander students shall be given enrolment preference wherever possible and practicable.

The Principal always has the right of discretion in the enrolment of students.

Termination of Enrolment

1. The Fees and Charges Policy of the College (overleaf) requires parents to give ten weeks written notice in term time if their children are enrolled at the College and will not be attending or returning to the College. Failure to give such written notice will result in a charge of one term's fees in lieu of notice.
2. If there is a serious breach of the Conditions for Enrolment a student's enrolment at St Mary MacKillop College may be terminated. Exclusion of students for disciplinary reasons is an extreme step reserved for cases of gross misconduct, serious breaches of the College Code of Conduct, or behaviour that is persistently disruptive or contrary to the Vision Statement of the College.

Any family in need is encouraged to apply initially to the Business Manager for a fee remission and must provide all required information in respect to income and expenditure, assets and liability via the College application process. This fee would also cover the transport costs associated with any day trips, excursions and physical/outdoor educational activities being carried out off campus. Camps and excursions play a vital part of the overall College program and curriculum for the development of our students, and are often heavily subsidised. Rather than the fee changing according to the cost of each camp or off-campus activity in a particular year group, the College charges a set annual fee as a way of spreading the cost burden for families. It is compulsory for all students to attend these activities, and the camp fee will not be waived for any reason other than illness (supported by a current Doctor's Certificate). |
| Book Hire | \$331.50 per student | The College operates a book hire scheme to help reduce the number of textbooks having to be purchased, and accordingly to reduce overall textbook costs. This is charged to each student. |

All secondary students will be issued with a locker and combination lock when they start at the College. Students are required to use a locker throughout their time at the College. If students negligently damage their locker or lose, misplace or damage their combination lock they will be invoiced by the College for the cost of repairs or replacement.
