If you want to play,
We'll find a way!

Starkick is an award-winning all-abilities football program for children 5 to 17 years of age. With modified activities, geared to each child's individual needs, Starkick seeks to support all disabilities and runs with a simple mantra... "If you want to play, we'll find a way!"

What do Parents say?

"It's incredible to be part of a community club. In the past our children had been excluded because of their Autism, but at Starkick they are welcomed and supported."

"I don't know if I get more joy seeing my own child, or the whole lot of them. It's the smiles - they all smile every week."

"Starkick is something I wish I knew about years ago! It's so cool to see other kids using walkers and other mobility aids playing a sport they love."
