

CARES Act – Higher Education Emergency Relief Fund (HEERF)

Student Portion

Del-Mar-Va Beauty Academy has signed and returned to the Department of Education the Certification And Agreement for the HEERF grant. The grant will be received in two parts, the first half (\$54,423.00) will be distributed to Title IV eligible students under Section 18004(a)(1) of the CARES Act.

The student portion of the Higher Education Emergency Relief fund was received by the institution on 8/3/2020. The number of students receiving the HEERF grant is 34. The grant was divided equally to Title IV eligible students in attendance during the COVID-19 shut-down (each student will receive \$1600.00 to \$1601.00)

As of December 15, 2020, 5 students declined the HEERF grant resulting in a total of \$8004 being held for students who demonstrate financial need related to the COVID-19 pandemic. No requests have been made for these funds as of December 31, 2020.

The grant is intended to assist students with expenses related to the disruption of campus operations due to coronavirus (including eligible expenses under a student's cost of attendance such as food, housing, course materials, technology, health care, and child care). We instruct the students to use these funds for this purpose. The funds will not be applied to any student's account balance with the school.
