

FLYING W AIRSHOW 2019

September 7th & 8th

To whom it may concern,

The Flying W Airport will be hosting our 4th annual Air Show on September 7th & 8th. This is an event that will reach all ages, backgrounds and occupations.

We are hosting an outdoor event that will include live music, many area vendors and of course the Air Show itself, featuring some of our local pilots along with some national acts. We have created this Air Show as a way to bring the love of aviation to the fans and also to assist youth organizations in our area.

We are reaching out to your organization for sponsorship in our event. Attached you will see our different sponsorship packages. By sponsoring our event your organization will be reaching over 15,000 people in the local area from a 100-mile radius of the show site.

We look forward to joining with you to make this event a success not only for this year but for many years to come!

Thank you,

The Flying W Airport
