

## Novel Coronavirus – COVID-19 Update: 11

Dear Parents/Guardians

This update is to further clarify the position of Kennedy Baptist College for the commencement of Term 2.

1. The College will open for students on Wednesday 29 April as communicated in our last update on 8 April.
2. We support the Minister for Education's view that the classroom is still the best place for all students to learn but acknowledge that parents/carers can still choose to keep their child/ren at home.
3. Year 11 and 12 students are strongly encouraged to attend school and normal classes.
4. The off-campus learning presented at the end of Term 1 continues to be refined. The lessons will be a combination of live Microsoft Teams meetings and some video lessons.

To ensure the health and safety of all members of the College community we will ensure the following:

1. All students will be encouraged to maintain the 1.5m social distancing protocols as outlined by the Health Department.
2. Increased environmental cleaning will be conducted throughout the day including high touch surfaces and toilet blocks. Additional hygiene measures including hand sanitizer will be available in all classrooms.
3. Currently no assemblies or excursions are planned for the near future.
4. Parents and visitors are encouraged to remain in their vehicles when dropping off or picking up their child/ren. We would encourage you to call the College first if you need to visit the Uniform Shop.
5. To assist us with the planning for Term 2 please click on [this link](#) to let us know if you will be sending your child/ren to school. We would appreciate you doing this by **4pm Wednesday 22 April**.

We thank you for your continued support during this difficult time.

**Mr Mark Ashby**

Principal
