

Parent-School Relationships Code of Conduct

Introduction

At Mater Christi College we are committed to nurturing respectful relationships and active partnerships with you as parents. We believe that our students' learning journeys are enriched through positive and reciprocal home and school relationships.

As parents, you act as one of the most influential role models in your daughter's life. We therefore seek your support in promoting and upholding the core values of the school community and its culture of respectful relationships.

This Code of Conduct is intended to guide you in your dealings with staff, other parents, students and the wider school community. It articulates the school's key expectations of both staff and parents with regard to respectful relationships and behaviours. It also specifies the school's position with regard to unacceptable behaviours that breach our culture of respect.

This Code of Conduct is to be read in conjunction with the school's Student Guide.

Our Culture of Respectful Relationships

Among students, staff and parents we strive to develop the following:

- a respect for the innate dignity and worth of every person
- an ability to understand the situation of others
- a cooperative attitude in working with others
- open, positive and honest communication
- the ability to work respectfully with other people
- trusting relationships
- responsible actions.

In promoting and upholding this culture, we expect that parents will:

- support the school's Catholic ethos, traditions and practices
- support the school in its efforts to maintain a positive teaching and learning environment
- understand the importance of healthy parent/teacher/student relationships and strive to build these relationships
- adhere to the school's policies, as outlined on the school website
- treat staff and other parents with respect and courtesy.

In promoting and upholding this culture, we expect that staff will:

- communicate with you regularly regarding your daughter's learning, development and wellbeing
- provide opportunities for involvement in your daughter's learning
- maintain confidentiality over sensitive issues
- relate with and respond to you in a respectful and professional manner
- ensure a timely response to any concerns raised by you.

Raising Concerns and Resolving Conflict

(Refer also to our Complaints Policy)

When raising concerns on behalf of your daughter, or making a complaint about the school's practices or treatment of your daughter, **we expect that you will:**

- listen to your daughter, but remember that a different 'reality' may exist elsewhere
- observe the school's stated procedures for raising and resolving a grievance/complaint
- follow specified protocols for communication with staff members, including making appointments at a mutually convenient time and communicating your concerns in a constructive manner
- refrain from approaching another student who is in the care of the school to discuss or chastise them because of actions towards your daughter. Refer the matter directly to your daughter's teacher for follow-up and investigation by the school.

In responding to your concerns or a complaint, **we expect that staff will:**

- observe confidentiality and a respect for sensitive issues
- ensure your views and opinions are heard and understood
- communicate and respond in ways that are constructive, fair and respectful
- ensure a timely response to your concerns/complaint
- strive for resolutions and outcomes that are satisfactory to all parties.

Staff Safety and Wellbeing

The school places high value and a priority on maintaining a safe and respectful working environment for our staff. We regard certain behaviours as harmful and unacceptable insofar as they compromise the safety and professional wellbeing of our staff. These behaviours include, but are not limited to:

- shouting or swearing, either in person or on the telephone
- physical or verbal intimidation
- aggressive hand gestures
- writing rude, defamatory, aggressive or abusive comments to/about a staff member (emails/social media)
- racist or sexist comments
- damage or violation of possessions/property.

When a parent behaves in such unacceptable ways, the principal or a senior staff member will seek to resolve the situation and repair relationships through discussion and/or mediation.

Where a parents' behaviour is likely to cause harm or distress or danger to a staff member and others, we may exercise our right to impose a temporary or permanent ban on the parent entering the school premises or locations where students are attending. In an extreme act of violence that causes physical harm to a staff member and his/her property, the matter may be reported to the police for investigation.
