

# TECH-ART 12-18 YEAR WORKSHOPS OLDS

Join artist in residence Jess Coldrey at Yarra Ranges Tech School, Lilydale to explore your creativity using technology. Learn 3D printing, 3D scanning and electronics while making an awesome piece of art to keep/exhibit in our art show!

## 3D DIGITAL COLLAGE - JULY 2

Build a collage using surrealism, recreate it in 3D digital space, and 3D print it for yourself.
