Premium Steel Carriage House Garage Doors

Lucern design with Thames windows in Mahogany

Cortona design with Madeira windows in Sandtone/Terratone with Canterbury handles

Santiago design with Madeira windows in True White/Gray with Blue Ridge handles and hinges

Looks can be deceiving. From a distance, you see wood. Up close, it's sturdy, durable, low-maintenance steel. The Amarr Classica collection of carriage house doors. Classic carriage house styles that go up and down like traditional garage doors. Three-section tall designs, instead of four, help deliver a more authentic carriage house look. Deception never looked so good.
