

SQL Database Developer

Full-Time position located at MXOtech in Chicago, IL

Welcome to MXOtech! We are a women-owned IT Managed Services company here in Chicago. Our culture and Chicago's most loved clients are what sets us apart and allow us to continue our success. We are looking for a SQL Database Developer to work on our Application Development Consulting team. If you love working with clients, being valued, challenged technically, and being respected for your talents, please apply. We need you!

Overall responsibility:

Working with other highly skilled application developers and customers throughout the United States solving complex problems for our clients by developing enterprise-class applications. This is 90% work-from-home position, with some collaboration occurring at MXOtech offices in Chicago or at client sites.

Primary Duties and Responsibilities:

- Perform data analysis and planning services, including data warehouse design
- Create and maintain databases to support applications for the client or applications built by MXOtech
- Multi-dimensional modeling
- Create and maintain Analysis Services cubes
- Build dashboards and reports with tools like Power-BI or Tableau
- Build data integration and ETL packages with Microsoft SSIS
- C# knowledge and experience a plus
- SharePoint 365 knowledge and experience a plus

Qualifications:

- Experience with Microsoft SQL Server technology stack (MS SQL, SSIS, Analysis Server) required
- Experience with Power BI or Tableau required
- Experience with Oracle, MySQL a plus
- Experience with C# and SharePoint 365 a plus
- Minimum 3 years of experience in a similar role
- Self-motivated with the ability to work in a fast-moving environment

Perks:

· We offer healthcare (Aetna), dental, and vision benefits DAY NUMBER ONE of employment. No need to wait for benefits to kick in. We have a great 401K with a company match, career path training, employee outings, lunches, events, awards, transparency with monthly company meetings. MXO covers 100% for the employee level on HDHP 5000 Plus

plan, long term disability, and an Employee Assistance Program (EAP) as well as a wellness program through Aetna (Attain).

- A wonderful co-ed leadership team who cares about their staff, great co-workers, and we are in the process of building out a brand new office near the West Loop with a modern tech feel, gym, meditation space, IT lab, training room, and much more.

Job Type: Full-time

Pay: \$75,000.00 - \$85,000.00 per year
