## **FACILITY SERVICES INC.**

Quality is more than providing services.

### **Know We Care About Your Building:**

- Total Quality Control is achieved through online surveys, inspections, and more.
- Automatic escalation is in place to ensure deficiencies are corrected every time.
- We perform and record inspections to ensure expectations are exceeded.

### **Get What You're Paying For:**

- Track requests, issues, and response times.
- View inspection results based on your exact contract specifications.
- Easily compile graphical analysis of our performance.

### **Receive Consistent, Quality Service:**

- Within seconds, submit a request directly to CleanTelligent from your computer.
- Accountable personnel are immediately notified.
- You receive attention and a response to your request in real time.
