Manufacturing

History of FBA

- pre 1972
- 1972 Alien Business Law
- 1999 FBA

My experience

- Jewellery Sector

Success stories

- Car industry

Why it worked....

- right policies lead to success

Services.

Manufacturing needs services

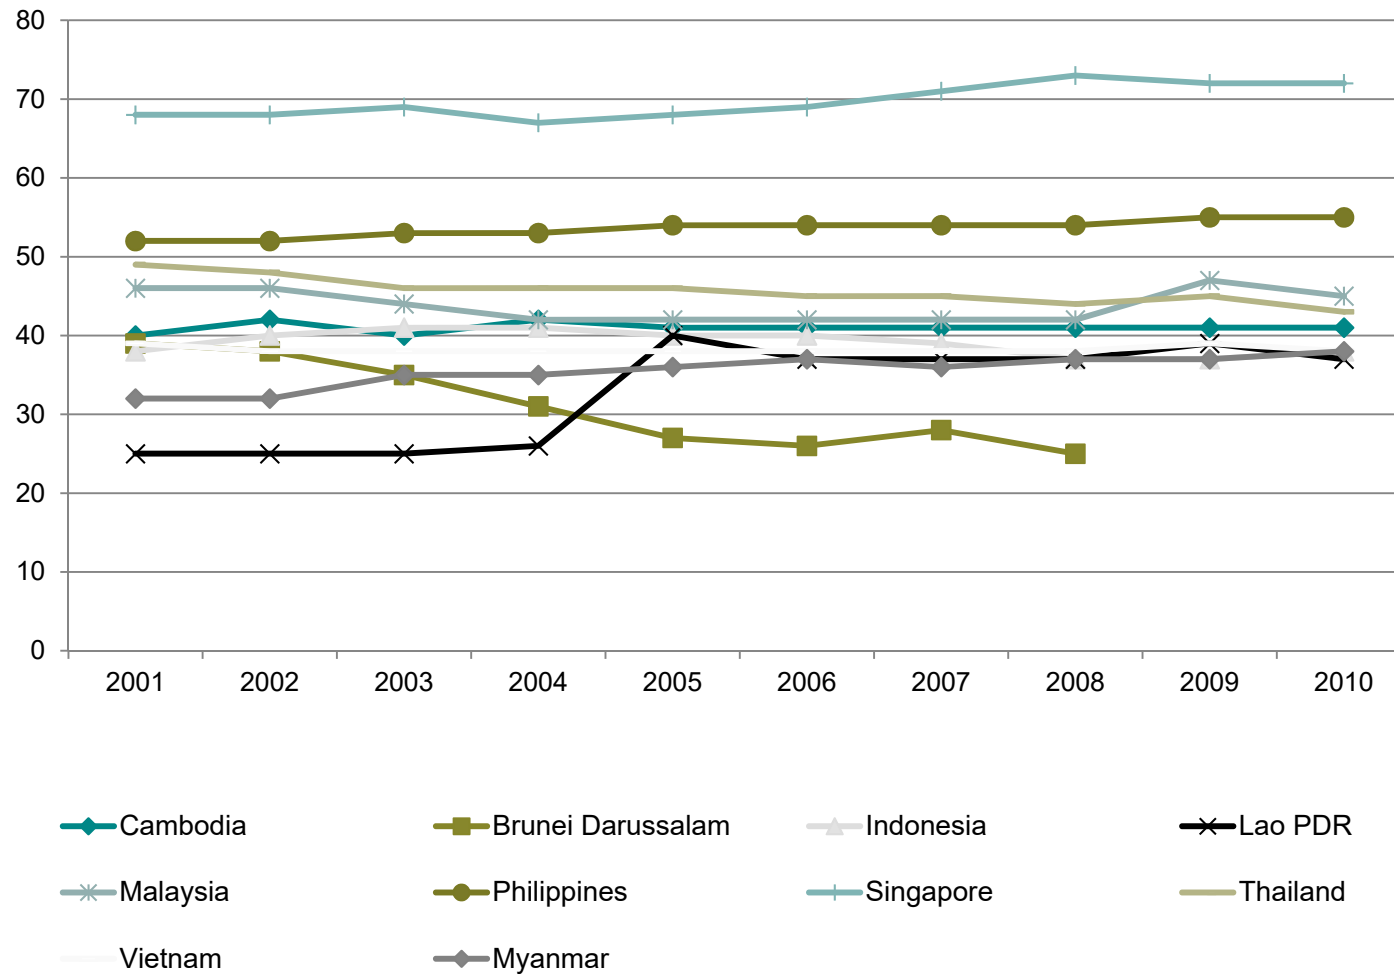

- cannot stand alone
- services determine attraction to set up manufacturing

Liberalisation

- underperforming service sector
- locomotive to pull the economy out of the middle income trap
- - how can liberalisation happen

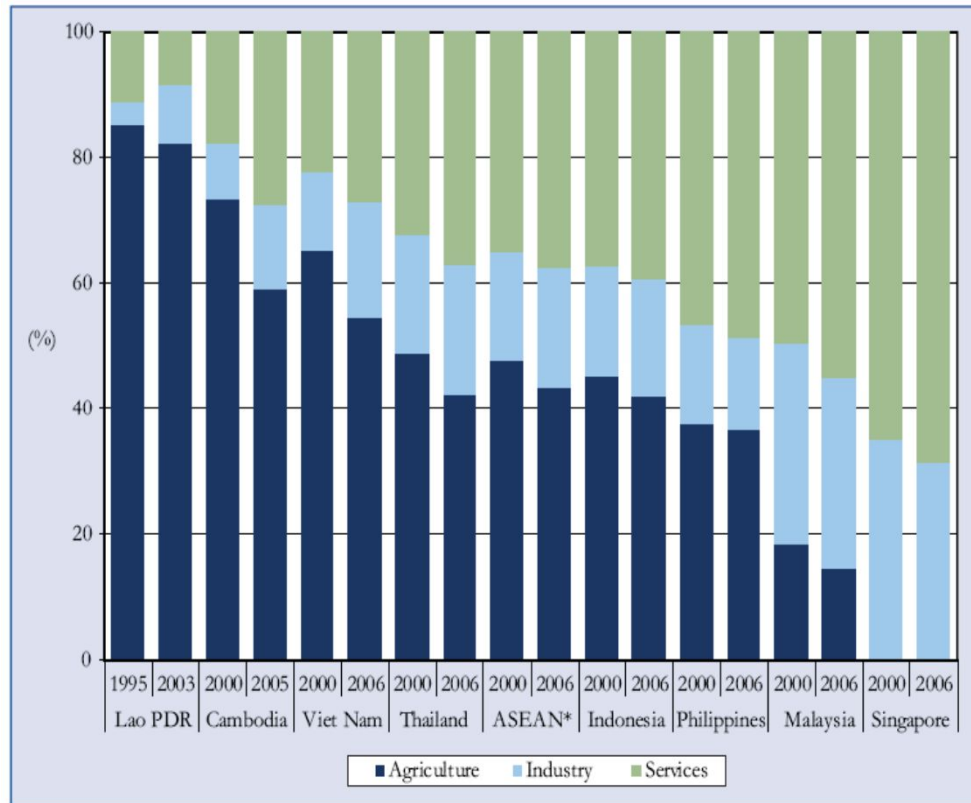

How important is service sector ?

Service sector GDP share

Source: TDR May 2012

Service sector employment share

Service sector employs more labour than does industry. Growth in service sector can contribute to employment and national income.
