**FOR IMMEDIATE RELEASE:**

## **XPORTECHS Qualifies for the Microsoft Cloud Accelerate Program**

*XPORTECHS earns distinction through demonstrated technology success and customer commitment.*

**Ellicott City, Maryland – December 12, 2012** – XPORTECHS today announced it has qualified as a member of the Microsoft Cloud Accelerate program by demonstrating its ability to meet Microsoft's customers evolving needs in today's dynamic cloud marketplace. To qualify for the Cloud Accelerate program, partners must successfully demonstrate their cloud services expertise through rigorous sales and technical assessments; and to ensure the highest quality of services, Microsoft requires customer references to demonstrate successful customer implementations and satisfaction.

*"Joining the Cloud Accelerate Program showcases our expertise in today's cloud technology market and demonstrates our knowledge of Microsoft's Cloud solutions,"* said Michael Mellott, President of XPORTECHS.

XPORTECHS provides professional IT support to small-to-medium sized businesses throughout the Baltimore/Washington Corridor. The Microsoft Cloud Accelerate program allows XPORTECHS to provide the highest-caliber support to their clients as they navigate through the cloud landscape.

*"Attaining the Cloud Accelerate Badge demonstrates XPORTECHS' ability to implement solutions that solve today's customers' business challenges utilizing cloud services,"* said Jon Roskill, Corporate Vice President, Worldwide Partner Group at Microsoft Corp. *"By joining the Microsoft Cloud Accelerate program, XPORTECHS has proven their understanding of Microsoft cloud technologies and are poised to drive business opportunity in today's cloud era."*

The Microsoft Partner Network helps partners strengthen their capabilities to showcase leadership in the marketplace on the latest technology, to better serve customers and, with 640,000 Microsoft partners in their ecosystem, to easily connect with one of the most active, diverse networks in the world.
