FOR IMMEDIATE RELEASE:

XPORTECHS Designs New IT Plan for Dirska & Levin, LLC

ELLICOTT CITY, MD – August 25, 2016 – XPORTECHS is pleased to announce Dirska & Levin, LLC as their newest client. XPORTECHS will be managing all of Dirska & Levin’s IT needs through their Managed Services solution, XperCARE.

Established in 1987, Dirska & Levin, LLC is a workers’ compensation defense firm located in Columbia, Maryland. Dirska & Levin (or D&L), pride themselves on establishing connections with their clients that last far longer than the claims they litigate. By establishing open and honest lines of communication, they can become reliable and trustworthy advisors that their clients can come to again and again without fear of driving up litigation costs. Dirska & Levin is committed to providing an excellent, efficient and highly effective defense!

Dirska & Levin, LLC determined XperCARE as the best solution in order to meet their goals. XPORTECHS will design and implement a new Proactive IT support system through its Managed Services package. Once the system is fully implemented, XPORTECHS will be able to monitor Dirska & Levin’s network remotely, 24/7, and provide key IT functions such as: help desk, problem remediation, remote backup, patch management, anti-virus/spyware protection, Internet security, and content filtering.

“XPORTECHS is looking forward to providing Dirska & Levin with world-class IT services and support. Our expertise enables us to provide the very best technology support to businesses like Dirska & Levin, and improve their systems with our market-leading solutions” said Michael Mellott, President at XPORTECHS.
