**FOR IMMEDIATE RELEASE:**

## **XPERTECHS Partners With EMC To Provide World-Class Storage Solutions**

**Ellicott City, Maryland – July 19, 2013** – XPERTECHS, a leading Information Technology and Cloud Solutions firm, announced today that EMC Corporation has named them a Certified Affiliate Partner.

Becoming a Certified Affiliate gives XPERTECHS broader, expanded access to EMC's world-class storage products and services, as well as access to their tools, training and certifications, adding increased value to customers.

“We are extremely pleased to achieve EMC's Affiliate Partner status,” said Michael Mellott, President at XPERTECHS. “With the increasing importance of data storage and SAN technology, we knew that becoming an EMC Affiliate was a must! This certification proves that we are dedicated to providing industry-leading products and services to our present and future customers.”

EMC Authorized Resellers become members of the Affiliate Program by achieving certification through the Velocity Affiliate Program, as well as minimum revenue requirements.

For more information about XPERTECHS various certifications and partnerships, visit [www.XPERTECHS.com/it-certifications](http://www.XPERTECHS.com/it-certifications).

### **About XPERTECHS**

XPERTECHS is a leading Information Technology company offering a full range of services including Microsoft network solutions, LAN and WAN connectivity, Proactive IT Managed Services (XperCARE), Cloud Solutions (CLOUD XPERIENCE), Network Security, and Training. Our focus is on delivering high quality Networking, Proactive Management, IP Telephony and Internet Solutions that are critical to solving information needs of our clients. Our philosophy is built on the desire to focus on our select group of clients and deliver the best customer service available through our certified engineers.

XPERTECHS provides Installation and Support of networks, servers, workstations, PCs, firewalls, routers, switches and vCIO services. The company renders on-site and remote support through our XperCARE Managed Services offering.

### **About EMC**

EMC Corporation is a global leader in enabling businesses and service providers to transform their operations and deliver IT as a service. Fundamental to this transformation is cloud computing. Through innovative products and services, EMC accelerates the journey to cloud computing, helping IT departments to store, manage, protect and analyze their most valuable asset — information — in a more agile, trusted and cost-efficient way. Additional information about EMC can be found at [www.EMC.com](http://www.EMC.com).
