FOR IMMEDIATE RELEASE:

XPERTECHS Designs New IT Plan for HMC, Inc.

Ellicott City, Maryland – July 24, 2015 – XPERTECHS just announced HMC, Incorporated as their newest client. XPERTECHS will be managing all of HMC’s IT needs through their Managed Services solution, XperCARE.

Established in 1989, HMC, Inc. provides the highest quality food service design in Healthcare, Government, Higher Education and Hospitality nationwide. HMC’s full scope of services include: food service design, equipment specification & procurement, estimating, interior design, custom millwork manufacturing and construction administration/project management.

HMC, Inc. determined XperCARE as the best solution in order to meet their goals. XPERTECHS will design and implement a new Proactive IT support system through its Managed Services package. Once the system is fully implemented, XPERTECHS will be able to monitor HMC’s network remotely 24/7 and provide key IT functions such as: help desk, problem remediation, remote backup, patch management, anti-virus/spyware protection, Internet security, and content filtering.

“XPERTECHS is looking forward to providing HMC with world-class IT services and support. Our expertise enables us to provide the very best technology support to businesses like HMC, and improve their systems with our market-leading solutions” said Michael Mellott, President at XPERTECHS.
