FOR IMMEDIATE RELEASE:

XPERTECHS Creates New IT Plan for Jones & Carter, Inc.

Ellicott City, Maryland – February 18, 2015 – XPERTECHS just announced Jones & Carter, Inc. as their newest client. XPERTECHS will perform an IT assessment of Jones & Carter’s IT infrastructure to assist them in implementing an IT strategic plan.

Jones & Carter is a full-service engineering, planning, surveying, and consulting firm headquartered in Houston, Texas. They assist their clients in analysis, development, implementation and execution of both short-range and long-range projects.

Jones & Carter is in the process of evaluating their existing IT structure and processes as it relates to their practice area alignment in order to increase productivity, provide ease of administration and reduce costs. They have determined XPERTECHS to be the best resource for assessing areas to improve, as it relates to Jones & Carter’s information systems.

“We are looking forward to our partnership with Jones & Carter, and helping them to explore new ways to improve their IT processes and systems. Our expertise enables us to review their current systems and discover areas that can be improved with new technologies,” said Michael Mellott, President of XPERTECHS.
