FOR IMMEDIATE RELEASE:

XPERTECHS Ranked Among Top 501
Managed Service Providers For A Fourth Straight Year

Ellicott City, Maryland – June 23, 2017 – XPERTECHS, a managed services provider and cloud integrator, today announced it was ranked in the top 200 managed services providers worldwide on the MSPmentor 501 2017 Global Edition.

According to MSPmentor, rankings for the 2017 MSP 501 study were determined by an algorithm that assesses company strength based on revenue contributions from key go-to market activities. The highest weight was placed on revenue generated from managed and cloud services.

This year marks the tenth-annual MSPmentor 501 Global Edition. It is a distinguished list that shines a light on the world's top managed IT services providers. Nearly 2,000 IT companies worldwide apply annually.

"It's a great honor to make this prestigious list for a fourth consecutive year. We are proud of the hard work and growth that our business has experienced since 2016's list was published, and are excited about our planned growth over the next year." said Michael Mellott, President at XPERTECHS.

"On behalf of MSPmentor, I would like to congratulate XPERTECHS for its recognition as an MSP 501 honoree," said Aldrin Brown, Editor in Chief, MSPmentor. "The managed service provider market is evolving at a rapid pace and the companies showcased on the 2017 MSP 501 list represent the most agile, flexible and innovative organizations in the industry."

The complete 2017 MSP 501 list is available at MSPmentor.net.
