FOR IMMEDIATE RELEASE:

XPERTECHS Earns a Microsoft Gold Cloud Productivity Competency

Ellicott City, Maryland – June 8, 2017 –XPERTECHS today announced it has earned a Gold Cloud Productivity competency, demonstrating a commitment to meet Microsoft Corp. customers’ evolving needs in today’s dynamic cloud-based business environment and distinguishing itself within the top of Microsoft’s cloud partner ecosystem.

To earn a Gold Cloud Productivity competency, partners must successfully complete exams (resulting in Microsoft Certified Professionals) to prove their level of technology expertise, and then designate their certified professionals uniquely to one Microsoft competency, ensuring a certain level of staffing capacity. They also must submit customer references that demonstrate successful cloud projects (implement a yearly customer satisfaction level), meet a revenue commitment, and pass technology and/or sale assessments.

“The Microsoft Gold Cloud Productivity competency showcases our expertise in and commitment to today’s technology market and demonstrates our deep knowledge of Microsoft and its products,” said Michael Mellott, President of XPERTECHS. “We plan to accelerate our customers’ success by serving as trusted technology advisors for their cloud computing demands.”

In addition to earning the Gold Cloud Productivity competency, XPERTECHS is also recognized as a Gold Mid-Market Solution provider.
