FOR IMMEDIATE RELEASE:

XPERTECHS Again Retains a Microsoft Gold Midmarket Solution Provider Competency

Ellicott City, Maryland – October 20, 2015 –XPERTECHS today announced it has again retained a Gold Midmarket Solution Provider competency, demonstrating a “best-in-class” ability and commitment to meet Microsoft Corp. customers’ evolving needs in today’s dynamic business environment and distinguishing itself within the top one percent of Microsoft’s partner ecosystem.

To earn a Microsoft Gold competency, partners must successfully complete exams (resulting in Microsoft Certified Professionals) to prove their level of technology expertise, and then designate their certified professionals uniquely to one Microsoft competency, ensuring a certain level of staffing capacity. They also must submit customer references that demonstrate successful projects (implement a yearly customer satisfaction level), meet a revenue commitment, and pass technology and/or sale assessments.

“This Microsoft Gold Midmarket Solution Provider competency showcases our expertise in and commitment to today’s technology market and demonstrates our deep knowledge of Microsoft and its products,” said Michael Mellott, President of XPERTECHS. “We plan to accelerate our customers’ success by serving as trusted technology advisors for their business demands.”

In addition to retaining the Microsoft Gold Midmarket Solution Provider competency, XPERTECHS is also recognized as a Silver Cloud Productivity partner.
