FOR IMMEDIATE RELEASE:

XPERTECHS Designs New IT Plan For Nu Look Home Design

ELLICOTT CITY, MD – March 6, 2017 – XPERTECHS announced today the signing of its newest XperCARE client, Nu Look Home Design, Inc. XPERTECHS will provide Nu Look with their world-class IT support through their XperCARE managed services solution.

Established in 1999, Nu Look Home Design is a top-ranked, award-winning home remodeler that provides roofing, windows, vinyl siding, doors and gutters. Headquartered in Hanover, Maryland, Nu Look services home-owners throughout Maryland, Virginia, and Southern New Jersey.

Nu Look determined XperCARE as the best solution in order to meet their technology goals. XPERTECHS will design and implement a new Proactive IT support system through its Managed Services package. Once the system is fully implemented, XPERTECHS will be able to monitor Nu Look Home Design's network remotely, 24/7, and provide key IT functions such as: help desk, problem remediation, remote backup, patch management, anti-virus/spyware protection, Internet security, and content filtering.

"I am pleased that Nu Look Home Design chose XPERTECHS to manage their information systems. Our certified technicians and experience allows us to provide the very best technology support to businesses like Nu Look, and improve their systems with our market-leading solutions" said Michael Mellott, President at XPERTECHS.

About XPERTECHS
XPERTECHS is a Microsoft Gold Partner company offering a full range of services including Microsoft network solutions, LAN and WAN connectivity, Proactive IT Managed Services (XperCARE), Cloud Solutions (CLOUD XPERIENCE), Office 365 Implementations, and Network Security. Their focus is on delivering high quality Networking, Proactive Management, IP Telephony and Internet Solutions that are critical to solving information needs of their clients.

XPERTECHS provides installation and support of networks, servers, workstations, PCs, firewalls, routers, switches and vCIO services. The company renders on-site and remote support through their XperCARE Managed Services offering.
