FOR IMMEDIATE RELEASE:

XPORTECHS Designs New IT Plan For George R. Ruhl & Son, Inc.

ELLICOTT CITY, MD – April 18, 2017 – XPORTECHS announced today the signing of its newest XperCARE client, George R. Ruhl & Son, Inc. XPORTECHS will provide Ruhl & Son with their world-class IT support through their XperCARE managed services solution.

George R. Ruhl & Son, Inc. is a full-line bakery distributor selling a large line of bakery ingredients. Since 1789, Ruhl & Son has been providing quality deliveries throughout Maryland, Delaware, Virginia, D.C. and Central Pennsylvania.

Ruhl & Son determined XperCARE as the best solution in order to meet their technology goals. XPORTECHS will design and implement a new Proactive IT support system through its Managed Services package. Once the system is fully implemented, XPORTECHS will be able to monitor George R. Ruhl & Son's network remotely, 24/7, and provide key IT functions such as: help desk, problem remediation, remote backup, patch management, anti-virus/spyware protection, Internet security, and content filtering.

“We are looking forward to assisting George R. Ruhl & Son, Inc. in enhancing their IT infrastructure through our XperCARE offering. Our certified technicians and experience allows us to provide the very best technology support to businesses like Ruhl & Son, and improve their systems with our market-leading solutions” said Michael Mellott, President at XPORTECHS.

About XPORTECHS

XPORTECHS is a Microsoft Gold Partner company offering a full range of services including Microsoft network solutions, LAN and WAN connectivity, Proactive IT Managed Services (XperCARE), Cloud Solutions (CLOUD XPERIENCE), Office 365 Implementations, and Network Security. Their focus is on delivering high quality Networking, Proactive Management, IP Telephony and Internet Solutions that are critical to solving information needs of their clients.

XPORTECHS provides installation and support of networks, servers, workstations, PCs, firewalls, routers, switches and vCIO services. The company renders on-site and remote support through their XperCARE Managed Services offering.
