FOR IMMEDIATE RELEASE:

XPERTECHS Designs New IT Plan for Tuhin Basu & Associates, Inc.

Ellicott City, Maryland – August 1, 2013 – XPERTECHS has recently announced Tuhin Basu & Associates, Inc. (TBA) as their newest client. XPERTECHS will now be managing all of TBA's IT needs through their Managed Services solution, XperCARE.

Since 1999, Tuhin Basu & Associates have been specializing in providing state-of-the-art professional engineering services in the transportation infrastructure market to help meet the nation's growing transportation needs.

Tuhin Basu & Associates are in the process of replacing their existing IT infrastructure in order to increase productivity, provide ease of administration and reduce costs. They have determined XperCARE as the best solution in order to meet their goals. Once the system is fully implemented, XPERTECHS will be able to monitor the TBA network remotely, 24/7, and provide key IT functions such as: helpdesk, problem remediation, remote backup, patch management, anti-virus/spyware protection, Internet security, and content filtering. Tuhin Basu & Associates will also be utilizing Microsoft's Office 365 cloud solution for document management and collaboration.

“XPERTECHS is very excited about the relationship with Tuhin Basu & Associates. Our expertise enables us to provide the very best technology support to businesses like TBA. We are looking forward to improving their systems with our market-leading solutions” said Michael Mellott, President at XPERTECHS.
