FOR IMMEDIATE RELEASE:

XPERTECHS Celebrates 25 Years of Business Excellence

Ellicott City, Maryland – February, 2013 – XPERTECHS, a leading Information Technology and Cloud Solutions firm based out of Howard County, will be celebrating 25 years of business in March of this year.

According to Michael Mellott, Owner and President of XPERTECHS, "As I look back over the past 25 years, I am amazed at the number of people that I have been privileged to meet and work with during this time-span. Our company has truly been blessed with great clients, supportive vendors, and outstanding employees. In the technology field, change occurs almost on a daily basis and trying to stay abreast of the meaningful advances is a tremendous task. Our staff has been up to the challenge in finding new products and solutions that will provide the best competitive advantages and ROI to our clients."

Along with celebrating its' 25th year in business, and all of the milestones that XPERTECHS has achieved thus far, an event is in the works for late April to help honor our loyal clients, friends and employees. XPERTECHS welcomes all business owners and executives who are interested in attending the event, to contact them for details.

About XPERTECHS

XPERTECHS is a leading Information Technology company offering a full range of services including Microsoft network solutions, LAN and WAN connectivity, Proactive IT Managed Services (Xper**CARE**), Cloud Solutions (CLOUD XPERIENCE), Network Security, and Training.
