XPERTECHS Recognized for Excellence in Managed IT Services for Second Straight Year

ELLCOTT CITY, MD - February 20, 2018 – XPERTECHS announced today that [CRN®](#), a brand of [The Channel Company](#), has named XPERTECHS to its 2018 Managed Service Provider (MSP) 500 list in the Pioneer 250 category. This annual list recognizes North American solution providers with cutting-edge approaches to delivering managed services. Their offerings help companies navigate the complex and ever-changing landscape of IT, improve operational efficiencies, and maximize their return on IT investments.

In today's fast-paced business environments, MSPs play an important role in helping companies leverage new technologies without straining their budgets or losing focus on their core business. CRN's MSP 500 list shines a light on the most forward-thinking and innovative of these key organizations.

The list is divided into three categories: the MSP Pioneer 250, recognizing companies with business models weighted toward managed services and largely focused on the SMB market; the MSP Elite 150, recognizing large, data center-focused MSPs with a strong mix of on-premises and off-premises services; and the Managed Security 100, recognizing MSPs focused primarily on off-premise, cloud-based security services.

"Managed service providers have become integral to the success of businesses everywhere, both large and small," said Bob Skelley, CEO of The Channel Company. "Capable MSPs enable companies to take their cloud computing to the next level, streamline spending, effectively allocate limited resources and navigate the vast field of available technologies. The companies on CRN's 2018 MSP 500 list stand out for their innovative services, excellence in adapting to customers' changing needs and demonstrated ability to help businesses get the most out of their IT investments."

"It's a great honor to be included on this industry-leading list for a second straight year. We are proud of the hard work and growth that our business has experienced over the last year, and are excited about our planned growth over the next twelve months." said Michael Mellott, President of XPERTECHS.

The MSP500 list will be featured in the February 2018 issue of CRN and online at www.CRN.com/msp500.
