

# Assistive Technology in the Workplace

Heather R Koren, ATP  
Director of Assistive Technology  
Westminster Technologies

1

## Presenter

- RESNA Certified ATP
- M.S. in Rehabilitation Science and Technology
- Taught undergraduate and graduate level assistive technology courses at East Carolina University
- Developed an online graduate certificate program in AT for East Carolina University

2

## Key Learning Objectives

- Review legislation and statistics
- Explore accommodation options
- Explore built-in accessibility features
- Apps, Universal Design, & Resources

Westminstertech.com

3

## Legislation/Stats

- Section 504 of the Rehabilitation Act
- Americans with Disability Act
  - Perform the core duties of a job
    - Provide new equipment
    - Modify existing office equipment or assistive technology
  - Perform marginal or non-essential functions
  - Request must not impose an undue hardship
  - Includes accessible websites

Westminstertech.com

4

## Legislation/Stats

- In 2010
  - 46% of working adults between ages of 18 & 64 with a learning disability were employed
  - Only 19% of young adults stated that their employers were aware of their disability
  - Only 5% reported receiving accommodations in their workplace

Westminstertech.com

5

## Workplace Assessment

- Declaration of Disability
- Define the Situation – job functions that need to be accommodated
- Explore AT Options
  - May already be proficient with a specific AT system
  - Contact an AT specialist (JAN); State VR agency; State AT Tech Act; RESNA
- Choose & Implement AT
- Monitor and Upgrade AT

6

# Computer Access

Accessibility

Westminstertech.com

7

## Alternate Input

- Alternative Mouse
  - Ergonomic Mice
  - Trackballs
  - Joysticks
  - Touchpads

Westminstertech.com

8

## Alternate Input

- Alternative Keyboard

- Ergonomic
- One-handed
- Enlarged
- Mini

9

## Computer Access

- Touch Screens
- Eye gaze
- Head mouse

10

## Computer Access

- Voice recognition software
  - Limited muscle control or hand-use
  - Learning Disability
  - Carpal Tunnel Syndrome/Repetitive Stress Syndrome
- Built-in Solutions:
  - Microsoft
  - Google Docs
- Other Solutions

Dictate text and control your device using only your voice.

Turn on Speech Recognition  
 Off

Speech Recognition is only available for the following languages: English (United States, United Kingdom, Canada, India, and Australia), French, German, Japanese, Mandarin (Chinese Simplified and Chinese Traditional) and Spanish.

Press the Windows logo key + Ctrl + S to toggle Speech Recognition on or off.

11

## Computer Access

- LV/Blindness
  - Refreshable Braille Keyboards
  - Screen Readers
  - Screen Magnifiers
  - Large Print Keyboards

Westminstertech.com

12

## Computer Access

- Screen Access
  - Screen magnifiers
    - Built-in zoom features for Windows and Mac
  - Magic
  - SuperNova
  - ZoomText

Westminstertech.com

13

## Computer Access

- Screen Access
  - Screen Readers
    - Dolphin
    - JAWS
  - Built-in
    - Voice Over – Mac
    - Windows 10

Westminstertech.com

14

## Computer Access

- Reading
  - Text-to-Speech
- Writing
  - Word Prediction
  - Voice Recognition
  - Graphic Organizers

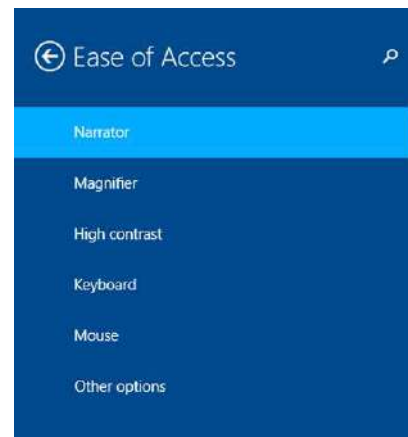

Westminstertech.com

15

## Built-in Accessibility Features

- OS Systems have built-in accessibility
  - Keyboard
  - Mouse
  - Screen Access
    - Increase size/font
    - High Contrast
    - Magnifier
  - Voice Input
  - Text-to-Speech

16

# Apps

Cornucopia of Apps

Westminstertech.com

17

# Apps

- Timers
- Reminders
- Calendar
- To-Do Lists

Westminstertech.com

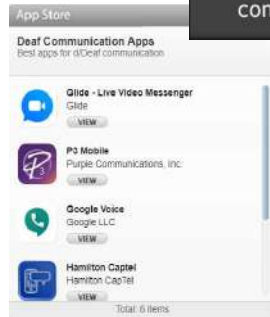

18

# Apps

- Hearing Impairments
- Vision Impairments
- Learning Disabilities

truth is so well fixed in the minds of  
 the surrounding families, that he is  
 considered the rightful property of

19

# Meetings, Training, Phones

Accessibility

Westminstertech.com

20

## Meetings & Training

- Live captioning
- Video conferencing
- Assisted listening systems
- ILA – Instant Language Assistant

Westminstertech.com

21

## Telephone Access

- Captioned telephone systems
- Neck loop listening device
- Amplified phones
- Smartphone accessibility features
- Headset

Westminstertech.com

22

# Ergonomics

Proper Positioning

23

# Ergonomics

- Posture
  - Screen clips
  - Microphone headsets
- Seating
  - Lumbar support
  - Adjustable armrests
  - Footrests
  - Standing desks
  - Alternative/flexible seating
- Repetitive stress syndrome/Carpal Tunnel

24

## Universal Design

- Employers should:
  - Consider equipment with UD features (OS)
  - Assess information systems for interoperability with AT
  - Evaluate maintenance of equipment
  - Upgradability – what is needed when software/systems are upgraded

Westminstertech.com

27

## Workplace Accessibility

Inclusive Practices

Westminstertech.com

28

## Workplace Accessibility

- Create inclusive environments
- Product accessibility
- Empowering employees
- Education
