### DON'T TAKE IT FROM US, HERE'S WHAT OUR COUPLES HAVE TO SAY

"My advice for anyone booking a venue, is to **go here, see it for yourself and meet the team.** You'll get far more than just a space. **You will feel taken care of** and really enjoy the experience from the first tour, the food tasting and all that leads up to the big day." – Lindsey B. (4/8/17)

"For starters, planning this wedding was **stress free, AND enjoyable.** The staff treated us like family, and **we felt nothing but respect and honesty.**" – Anna B. (4/15/17)

"Mary Beth and Samantha were also very helpful with answering our many emails of questions and always responded quickly. There was never a question or concern that no one could help with. Even when I thought things would be impossible, TCWG proved that there is **literally nothing they can't do!**" – Stephanie G. (5/12/17)
