WELCOME

A lifelong professional engagement with  
*your Alma Mater*

A joint initiative of  
**AIT & AIT Alumni Association (AITAA)**

**AIT**  
Asian Institute of Technology

## About the Club

The **AIT Graduates Club** is an exclusive society for all graduates and program participants of the Asian Institute of Technology to engage in professional development, career growth, and create a lasting societal impact.

The Club will provide extensive benefits to the graduates and opportunity to contribute to the Institute.

*Joining is easy!*

Just send an email to [graduatesclub@ait.ac.th](mailto:graduatesclub@ait.ac.th) or visit [www.aitgradsclub.ait.ac.th](http://www.aitgradsclub.ait.ac.th)

## Opportunities to Contribute to the Alma Mater

AIT is reaching out to one of its most valuable assets - its graduates and their invaluable professional experience and expertise, to establish a mutually beneficial and ongoing relationship between graduates and their alma mater.

The AIT Graduates Club aims to enrich the lives of the graduates by providing a platform for professional development, social connection, and opportunity to actively participate and contribute to the advancement of the Institute.

*I think our graduates need a welcoming home, a place to connect and advance, a personal linkage to their alma mater, and a reason to visit the campus. The Graduates Club does that and much more*

— AIT Graduate —

Raise the stature of the Institute

Facilitate and collaborate in the research and consulting projects

Offer mentorship to provide career guidance and share real life experiences

Provide internships for AIT students in their organization

Donate funds for scholarships and facility upgrades

Promote AIT to their networks

*and many more...*
