

SAFETY DATA SHEET

**Section I: Product and Supplier Identification**

---

Product name: NOHMs “N5-FAA1”

Identified use: Laboratory and R&D use

Manufacturer: NOHMs Technologies

1200 Ridgeway Ave. Suite 110

Rochester, NY 14615

Emergency Tel: 1-585-645-0041

Transportation Emergencies: INFOTRAC 24-hour

1-800-535-5053 (U.S.A.)

1-352-323-3500 (International)

**Section II: Hazards Identification**

---

GHS Classification (United States)

Skin irritation (Category 2)

Eye irritation (Category 2A)

Specific target organ toxicity - single exposure (Category 3), Respiratory system

Pictogram(s)

Signal word: Warning

Hazard statement(s)

H315 Causes skin irritation.

H319 Causes serious eye irritation.

H335 May cause respiratory irritation.

Precautionary statement(s):

P261 Avoid breathing dust/fume/gas/mist/vapors/spray.

P264 Wash skin thoroughly after handling.

P271 Use only outdoors or in a well-ventilated area.

P280 Wear protective gloves/protective clothing/eye protection/face protection.

P302+P352 IF ON SKIN: Wash with plenty of soap and water.

P304+P340 IF INHALED: Remove to fresh air and keep at rest in a position comfortable for breathing.

P305+P351+P338 IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing.

P312 Call a poison center or doctor if you feel unwell.

P321 Specific treatment (see supplemental first aid instructions on this label).

P332+P313 If skin irritation occurs: Get medical advice/attention.

P337+P313 If eye irritation persists: Get medical advice/attention.

P362 Take off contaminated clothing and wash before reuse.

P403+P233 Store in a well-ventilated place. Keep container tightly closed.

P405 Store locked up.

P501 Dispose of contents/container to an approved waste disposal plant.

Hazards not otherwise classified (HNOC) or not covered by GHS: None.

### Section III: Composition

---

Name	% (w/w)
Sulfone compound	>99.9

The ingredient name and/or exact percentage is being withheld as a trade secret.

### Section IV: First Aid Measures

---

General Information: Immediately remove any clothing contaminated by the product. Move out of dangerous area. Consult a physician and show this safety data sheet.

Inhalation: If inhaled, remove to fresh air away from exposure. If not breathing give artificial respiration. If breathing is difficult, give oxygen.

Skin exposure: In case of skin contact, immediately wash skin with soap and copious amounts of water for at least 15 minutes. Remove contaminated clothing and shoes.

Eye exposure: In case of eye contact, flush with copious amounts of water for at least 15 minutes. Assure adequate flushing by separating the eyelids with fingers. Get medical attention.

Ingestion: If swallowed, wash out mouth with water provided person is conscious. Get medical attention.

Most important symptoms and effects, both acute and delayed: No further information available. Please see sections 2 and 11.

Indication of any immediate medical attention and special treatment needed: No further information available.

### Section V: Firefighting Measures

---

Suitable extinguishing media: Use extinguishing measures that are appropriate to local circumstances and the surrounding environment. Dry chemical, carbon dioxide, water spray or alcohol-resistant foam.

Specific hazards arising from the chemical: Carbon oxides, Nitrogen oxides, Sulfur oxides.

Protective Equipment and Precautions for Firefighters: As in any fire, wear self-contained breathing apparatus pressure-demand, MSHA/NIOSH (approved or equivalent) and full protective gear.

## Section VI: Accidental Release Measure

---

Personal precautions, protective equipment, and emergency procedures: Avoid contact with the skin and the eyes. Use personal protective equipment.

Environmental precautions: Do not let product enter drains, other waterways, or soil.

Methods and materials for containment and cleaning up: Prevent further leak or spill if safe to do so. Vacuum, sweep up, or absorb with inert material and place into a suitable disposal container. Consult local regulations for disposal. See section 13 for further disposal information.

## Section VII: Handling and Storage

---

Precautions for safe handling: Avoid contact with skin, eyes, and clothing. Wear personal protective equipment. Handle in accordance with good industrial hygiene and safety practice. Wash hands after handling and before eating, drinking, or smoking. Use with local exhaust ventilation.

Conditions for safe storage, including any incompatibilities: Keep container tightly closed in a dry and well-ventilated place.

## Section VIII: Exposure Controls and Personal Protection

---

Exposure limits: No acute toxicity information is available for this product. Possibly irritating to eyes, respiratory system, and skin.

Appropriate engineering controls: Avoid contact with skin, eyes, and clothing. Wash hands before breaks and immediately after handling the product. Facilities storing or utilizing this material should be equipped with an eyewash fountain. Use adequate general and local exhaust ventilation to keep airborne concentrations low.

Personal protection:

Eye/Face protection: Wear safety glasses or goggles where eye contact is possible. Face shield giving full protection to the face when handling liquid material.

Hands: Protective gloves.

Skin and body: Wear protective gloves/clothing.

Respiratory: In case of mist, spray or aerosol exposure wear suitable personal respiratory protection and protective suit.

## Section IX: Physical and Chemical Properties

---

Appearance: Yellow powder

Odor: no odor

Molecular weight: N/A

pH: N/A

Melting point: N/A

Boiling point: N/A

Flash point: N/A

Flammability: N/A

Explosive properties: N/A

Oxidizing properties: N/A

Vapor pressure: N/A

Density: N/A

Solubility: Insoluble in water.

Partition coefficient: N/A

Decomposition temperature: N/A

Viscosity: N/A

Vapor density: N/A

Evaporation rate: N/A

Molecular formula: N/A

## Section X: Stability and Reactivity

---

Reactivity: Not available.

Chemical stability: Stable under recommended temperatures and pressures.

Possibility of hazardous reactions: Not available.

Conditions to avoid: Dust generation.

Incompatible materials: Strong oxidizing agents.

Hazardous decomposition products: Carbon oxides, Nitrogen oxides, Sulfur oxides.

## Section XI: Toxicological Information

---

Acute toxicity: No data available.

Skin irritation: No data available.

Eye irritation: No data available.

Respiratory: No data available.

Germ cell mutagenicity: No data available.

Carcinogenicity: No data available.

Reproductive toxicity: No data available.

Specific target organ toxicity – single exposure: No data available.

Specific target organ toxicity – repeated exposure: No data available.

Aspiration hazard: No data available.

To the best of our knowledge, the chemical, physical, and toxicological properties have not been thoroughly investigated.

## Section XII: Ecological Information

---

Ecotoxicity: The environmental impact of this product has not been fully investigated.

Persistence and degradability: Not available.

Bioaccumulative potential: Not available.

Mobility in soil: Not available.

Other adverse effects: Not available

## Section XIII: Disposal Consideration

---

Waste disposal of substance:

Incinerate in suitable incineration plant, observing local authority regulations.

Contaminated packing:

Dispose of as unused product.

## Section XIV: Transport Information

---

Land transport (USDOT):

Not classified as dangerous in the meaning of transport regulations.

Sea transport (IMDG):

Not classified as dangerous in the meaning of transport regulations.

Air transport (IATA/ICAO):

Not classified as dangerous in the meaning of transport regulations.

## Section XV: Regulatory Information

---

TSCA (United States) This product is NOT on the EPA Toxic Substance Control Act (TSCA) inventory. The product is supplied solely for use in research and development by or under the supervision of a technically qualified individual as defined in 40 CFR § 720 et seq. The health risks have not been fully determined. Any information that is or becomes available will be supplied on the SDS.

## Section XVI: Other Information

---

Version: 01-21\_1.0

Revision Date: 01-26-21

Issue Date: 01-26-21

FOR RESEARCH AND DEVELOPMENT USE ONLY.

The information contained in this Safety Data Sheet was prepared based on data available. However, no warranty is expressed or implied regarding the accuracy of the data or the results obtained from the use thereof. Because the information contained herein may be applied under conditions beyond our control, we assume no responsibility for its use. The information presented is offered for your consideration and guidance when exposed to this product. NOHMs Technologies expressly disclaims all expressed or implied warranties and assumes no responsibilities for the accuracy or completeness of the data contained herein.
