

## TPCA Noise Nuisance Policy

2023.06

On weekdays, the Towers, the Club, and the TPCA will only allow contractors and/or vendors who work outside with large power equipment or large power tools which generate a considerable amount of noise to work on weekdays between 8 AM and 4 PM.

On weekends, the Towers, the Club, and the TPCA will not grant access to contractors and/or vendors who work outside. Emergency situations and special circumstances will be the only exceptions and must be approved by the TPCA Manager.

On weekends, only the Towers, the Club, and TPCA in-house maintenance staff may use small power equipment that does not generate a considerable amount of noise between 9 AM and 4 PM.

The intent of this policy is to prevent considerable noise and other disturbances to the community during the weekends and before 8 AM and after 4 PM on weekdays.
