

GOLF WITH A TOUR PRO

THE KC GOLF CLASSIC PRO-AM EXPERIENCE WEDNESDAY, MAY 8TH - BLUE HILLS COUNTRY CLUB

You and your guests will be greeted by a valet, beverages and escorted to registration where you'll receive your 2019 Pro-Am gifts, while your clubs are secured safely on your golf cart for the day.

Feel free to enjoy conversation and tips from your pro and caddie, take pictures for memories of you and your guests, participate in contests on the course and further develop business relationships and partnerships.

After registering, your guests will experience a concept shop like no other in Kansas City, where they will be able to choose from the latest clubs, clothes, gear and accessories from Adidas, Callaway, Ogio, Odyssey and more. (\$500 retail value)

Upon conclusion of your round, hit the clubhouse for drinks, food, more networking and settling up of your score for the day. If you are good enough, you might even take home a prize or two.

Once you've upgraded the golf gear of your choosing, grab some food, another drink of your choice and head to the range to take a few swings before heading to the tee box for a one of a kind experience.

As your day concludes, you will have developed business relationships, made two new friends in tour pros that may be the next big name on the PGA TOUR, received player autographs, be departing with some great swag, and even greater memories.

On the tee you will meet your 1st tour pro, hear your name announced on the tee just like the pros, hit your first of many great shots, and head out for an amazing day on the course featuring food, beverages, and other on course amenities.

At the turn, you'll meet your 2nd tour pro of the day, take part in a photo shoot for your picture plaque with both of your pros, before heading out to play your second 9 holes.
