Asian Institute of Technology

BEFORE

## IMPROVEMENT PLAN

- Increase the size of the canteen
- Increase the capacity of the canteen
- Install air condition and fans
- Provide better furniture and fixtures
- Enclose the canteen to accommodate 200 students at a time

## UPGRADING TO BENEFIT AITIS STUDENTS

- Help enhance the status of AITIS by providing standard canteen facilities
- To attract more students by providing AITIS students' convenience while eating

## HISTORY OF AITIS CANTEEN

The Asian Institute of Technology International School (AITIS) has a canteen structure which can hold about 150 students. The structure is presently on an area of 238m<sup>2</sup> (17m by 14m). It is an open structure that requires constant renovations especially during the rainy season. This was built in 2003 and it has undergone extension depending on the growth in student numbers.
