Privacy Hardwood Floor Underlayment

Hardwood Floor
Privacy Hardwood Underlay
Sub Floor
Fiberglass Insulation
Optional Ceiling Isolation System
Sound Isolation Clips
5/8" Drywall

Notes:
1) Subfloor should be clean and level- replace any damaged plywood sheets, acoustical caulk all gaps
2) PHWU is installed with fabric facing up-loose laid- all seams and perimeter sealed with provided foil tape
3) Install finished floor- follow manufacturers instructions and maintain a gap at the perimeter for expansion
