ACADEMIC ACHIEVEMENT SCHOLARSHIP

Beginning with the Summer 2018 semester, and to be awarded during the Fall 2018 semester, Taylor College will be awarding one Academic Achievement Scholarship per program. Each award will be a one-time award based on criteria outlined and disbursed in the following semester. The award will be given to the student with the highest cumulative GPA within the program. Please note additional requirements apply and are listed below. Each semester the scholarship committee will meet to review eligible students and determine award recipients. Students receiving the scholarship award will be notified in writing during the first week of the following semester and their names will also be published in Taylor Tales.
