AGJ Systems & Networks Inc. Recognized for Excellence in Managed IT Services

GULFPORT, MISS., February 28, 2019 - AGJ Systems & Networks Inc. (AGJ) is proud to announce that [CRN](#)[®], a brand of [The Channel Company](#), has named AGJ to its 2019 Managed Service Provider (MSP) 500 list in the Pioneer 250 category. This annual list recognizes North American solution providers with innovative approaches to managed services. These services help customers improve operational efficiencies, maximize return on IT investments, and continuously help them navigate the complexities of IT solutions.

AGJ's service empowers companies to implement and operate complex technologies while maximizing business efficiency and focusing on the delivery of core business services. CRN's MSP 500 list identifies the most groundbreaking managed service organizations with advanced solutions that have endless potential for growth.

This annual list is divided into three categories: the MSP Pioneer 250, recognizing companies with business models weighted toward managed services and largely focused on the SMB market; the MSP Elite 150, recognizing large, data center-focused MSPs with a strong mix of on-premises and off-premises services; and the Managed Security 100, recognizing MSPs focused primarily on off-premises, cloud-based security services.

AGJ's clients include municipalities, non-profits, ports, and small to medium sized business in a wide range of verticals - including banking, medical, engineering, construction and legal.

"Capable MSPs enable companies to take their cloud computing to the next level, streamline spending, effectively allocate limited resources and navigate the vast field of available technologies," said Bob Skelley, CEO of The Channel Company. "The companies on CRN's 2019 MSP 500 list stand out for their innovative services, excellence in adapting to customers' changing needs and demonstrated ability to help businesses get the most out of their IT investments."

"AGJ Systems & Networks is very proud to receive recognition as one of CNR's 2019 Managed Service Provider top 500 and as one of the Pioneer 250," stated Brian Alford, AGJ President. "We strive every day to catapult client expectations by using our Core Values which include Client Empathy. AGJ engineers and administrative staff continue daily to make the client experiences bigger and better which in turn, results in sustainable grow in the MSP market."

The MSP 500 list will be featured in the February 2019 issue of CRN and online at www.CRN.com/msp500.
