Why should I donate to P.S.101Q?

Financial support for schools has been cut drastically which puts a greater burden on families and neighborhoods to help support their schools. Many public schools throughout the city are raising \$1 million plus each year. We are asking parents and neighbors to increase donations in order for our school to remain competitive. As contributors, we offer opportunities to our children that would not be possible through NYC dollars alone. Our dollars help fund and coordinate various programs, events, field trips, professional development, and the purchase of supplemental items for our school. Our contributions also go towards specific initiatives, teacher support, and building needs. Please give what you can; we need your help today!

Helpful Information

P.S. 101Q's Parent's Association, Inc. is a 501 (c) 3 public charity. As such, your donations are tax deductible.

Your donations may also be eligible for matching dollars through your place of employment.

P.S. 101Q, a public school, is here today because the founders of the Gardens considered a school to be a vital part of a thriving community. Nearly 100 years later, we are happy to say that P.S. 101Q continues as a premier institution of learning, supported in large part by donations from people like you.
