

Monthly Beach Cleanup

## SeaKeepers Monthly Beach Cleanup

The International SeaKeepers Society recognizes the ocean's critical importance to the life on our planet. Our members are thus deeply committed to finding real-world solutions to the problems now plaguing our seas. SeaKeepers has begun its first official monthly beach cleanup with the objective of raising awareness on marine debris and encouraging prevention of a growing epidemic.

The beach clean-ups will be held at Hobie Island Beach Park, Key Biscayne, a location known to have a vast amount of pollution and will be implemented throughout the next eight months.

### Volunteering Opportunities

**Celebrating  
"World Oceans Day"**

On Saturday, June 8th, 2019, SeaKeepers hosted its first official beach cleanup on Hobie Island Beach Park in celebration of World Oceans Day. Twenty volunteers teamed up to collect debris from the shorelines, with over 100 pounds of trash collected.
