

Program Highlights

S.A.R.A.H. Initiative

June 2020

The International SeaKeepers Society teamed up with FIU to collect plastic samples for their joint citizen science program, the S.A.R.A.H. Initiative, aboard DISCOVERY Yacht Sea Level. This was the ninth deployment of a S.A.R.A.H. net.

Events

SAVE THE DATE: Founders 2020

October 26th - November 1st

We will be honoring our 2020 DISCOVERY Yacht Fleet and the programming we've accomplished together this year with a special tribute page to acknowledge their support and participation.

Please join us by visiting our 2020 Founders Tribute Page. An invitation link will be sent out in the next two weeks.

Fall 2021

Plan on joining us for our **BAL DE LA MER** to celebrate ocean advocacy and the maritime and yachting community.

SeaKeepers Society @SeaKeepers · Sep 18

Last month's DISCOVERY Yacht Program, was news-worthy...

Aboard D/V Phantom, we assisted @fiucase in conducting field research in the waters of Biscayne Bay, FL. With @local10news behind the camera, they were able to document and film footage for a special report.

SeaKeepers Society @SeaKeepers · Sep 16

Nothing like [#CoralRestorationDay](#) to get you through the week ! Today [@GiliSharks](#) did TWO dives at their coral restoration site. During the first dive they set another transect line and found the perfect place to move some of our domes too.

SeaKeepers Society @SeaKeepers · Jul 15

"Coral belongs to the class Anthozoa within the animal phylum Cnidaria, which includes sea anemones and jellyfish."
