

# Town of Apex Police Department Renovation and Addition and Public Safety Station No. 4

- Two separate buildings on 2 different sites located in historic Downtown Apex, constructed under 1 contract.
- New Atlantic performed a renovation and addition to the former Town Hall to convert it to the new Police Department; a state-of-the-art facility with 4 different floor levels. Features include administrative spaces, training rooms, patrol suite, investigations suite, sallyport, interview spaces, 911 communications suite, locker rooms, and weight room.
- The Public Safety Station is a pre-engineered metal building that houses Fire/Rescue, EMS, and a Police satellite office. Features include a 3 bay fire apparatus area that accommodates a 96 FT ladder truck, sleep rooms, a day room, kitchen, radio, administrative offices, and training spaces.
