CLARIFICATIONS

1. There are two contracts that are being bid simultaneously for the BPUD Arsenic Removal Project: one is titled Construction for the site work; the other is titled Arsenic Removal System Procurement for the supply of the treatment system.
 - The construction contract bid opening is on Tuesday May 2, 2017 at 1pm
 - The procurement contract bid opening is on Tuesday May 9, 2017 at 1pm
2. The Pilot Study will be an on-site pilot study. The size of the bench scale (smaller) ARS, and the resultant timeframe for the Pilot Study, shall be determined by the ARS Supplier in conformance with the performance criteria set forth in Specification Section 13530.1.1.B, and the completion timeframes set forth in General Provision 19 – Contract Times.
