

AUSTRALIAN GREENLIP ABALONE

GLOBAL SUPPLIERS OF ALL NATURAL PREMIUM GREENLIP ABALONE - HORMONE AND ANTIBIOTIC FREE

Ausab is the largest producer of Greenlip abalone in the world and we take great pride in offering this magnificent abalone to our discerning clients across the globe.

The sweet, subtle flavour, tender texture and pearl white meat of the Ausab Greenlip abalone make them one of the most highly sought after ocean delicacies. Perfect for sashimi, steaming and light frying, Ausab Greenlip abalone is the most delicate of all abalone species. Our abalone are brine or nitrogen frozen and sold in shell to retain maximum flavour and goodness.
