

Dear Upcoming Sixth Grade Parents and Students:

May 2019

Attached is the 2019 Summer Language Arts Project. Reading over the summer will increase reading comprehension levels to better prepare students for the year ahead. My hope is to have our children emulate the loyalty, kindness and humility found in these characters and themes and to develop of love of reading!

The first book to be read is from the 2017-2018 Sunshine State Young Readers List entitled *The Hero Two Doors Down*. **"Eight year old Stephen Satlow lives in Brooklyn, NY and loves the Brooklyn Dodgers. Stephen can't believe his luck when his favorite baseball player Jackie Robinson moves in to his neighborhood. Written by Jackie Robinson's daughter, this fictionalized story based on a true story tells a tale of an unlikely friendship between a boy and his hero."** The main character, Stephen Satlow, happens to be my step dad.

Quest students should read a second novel from either the attached "classic" list of novels or the Lamplighter list. Honors students will receive extra credit for reading a second novel from one of these lists. These novels will teach our children how to persevere when faced with hardship. These lists compliment the literature and/or authors that will be studied next year.

The attached "Robinson Research" assignment is due the first day of school, and an Accelerated Reader quiz will be taken on each novel when returning to school. (A computer will be set up in the office during the summer Mondays through Thursdays from 9:00 to 2:00 for students who would like to take the AR quizzes sooner.)

Barnes and Noble has been given our summer book list to make viewing/purchasing more convenient. I would be grateful for any novel donations at the start of the year!

Please don't hesitate to contact me with any questions or concerns. Have a wonderful summer!

Sincerely,

Rachel Kelly

## ROBINSON RESEARCH

Research Jackie Robinson by locating trustworthy resources and educating yourself on the life of this courageous man. Take notes on index cards. You will use the information to write about him. You may choose to focus on the overall life of Jackie Robinson, or you may choose to narrow down your topic and focus on one area or aspect of his life.

### Note Taking

Use at least two internet and/or book resources (excluding *The Hero Two Doors Down*) to create 15-30 index cards. Each card should contain one fact or idea. Paraphrase to make the information "your own". Do not use complete sentences. If a quote is being used, copy exactly, use quotation marks and credit author. On a separate card, write down resources (title/author of book or website). Put cards in plastic sandwich bag, and include a top card with only your name!

### Written Portion

Create a computer generated paragraph (size 12, Times New Roman, double spaced). Make sure to logically organize your information and include topic and closing sentences. Tone/voice should be formal. It's fine if you do not use all the information from your note taking. You will be sharing with classmates before turning in!

This project grade will be based on following directions, overall effort and the quality of the work.

Crow has always been curious about the world around her, but it isn't until the night a mysterious fire appears across the water that the unspoken question of her own history forms in her heart. Soon, an unstoppable chain of events is triggered, leading Crow down a path of discovery and danger.

*Genevieve's War* by Patricia Reilly Giff

4.0 level and 5 pts.

Thirteen-year-old American girl Genevieve has spent the summer of 1939 at her grandmother's farm in Alsace, France. Then she makes an impulsive choice: to stay in France. It proves to be a dangerous decision. World War II erupts. The Nazis conquer Alsace and deport the Jews and others. A frightening German officer commandeers a room in Meme's farmhouse. And when Gen's friend Remi commits an act of sabotage, Gen is forced to hide him in the attic right above the Nazi officer's head. *Genevieve's War* is a gripping story that brings the war in occupied France vividly to life. It is a companion work to *Lily's Crossing*, a Newbery Honor Book.

*Hidden Figures* by Margot Lee Shetterly

9.7 level and 18 pts.

Before John Glenn orbited the earth, or Neil Armstrong walked on the moon, a group of dedicated female mathematicians known as 'human computers' used pencils, slide rules, and adding machines to calculate the numbers that would launch rockets, and astronauts, into space. It is the powerful story of four African-American female mathematicians at NASA who helped achieve some of the greatest moments in our space program.

*Red: The True Story of Red Riding Hood* by Liesl Shurtliff

4.3 level and 8pts.

*Once Was a Time* by Leila Sales

5.1 level and 9 pts.

Should she remain with her friend or journey to another time and place? Her split-second decision has huge consequences, and when she finds herself alone in the world, unsure of Kitty's fate, she knows that somehow, some way, she must find her way back to her friend. Written in the spirit of classic time-travel tales, this book is an imaginative and heartfelt tribute to the unbreakable ties of friendship.

*Undefeated: Jim Thorpe and the Carlisle Indian School Football Team* 6.8 level and 9 pts.  
by Steve Sheinkin

This is an astonishing underdog sports story and more. It's an unflinching look at the U.S. government's violent persecution of Native Americans and the school that was designed to erase Indian cultures. Expertly told by three-time National Book Award finalist Steve Sheinkin, it's the story of a group of young men who came together at that school, the overwhelming obstacles they faced both on and off the field, and their absolute refusal to accept defeat.

*Unbreakable Code* by Jennifer Chambliss Bertman

5.8 level and 11 pts.

Mr. Quisling is definitely up to something mysterious, and Emily and James are on high alert. First, there's the coded note he drops at a book event. As the sleuthing friends dig deeper, they discover Mr. Quisling has been hunting a legendary historical puzzle: the Unbreakable Code.
