## Market:

Metal Stamping – South Holland, IL

## Issues:

- Older Network
- Needed to support new line of business application (Job Boss)
- Needed reliable backup solution

## Solutions:

- New HP Windows 2012 Server
- New Backup Disaster Recovery Server (BDR)
- HTS Virtual IT network monitoring and support services

*“HTS designed a server solution to support our new Job Boss application along with a high availability server backup solution and full network monitoring and support. Their solutions provide us with a reliable, redundant network for our business operations. We are very pleased with HTS services and support!”*

*Donna Schoustra, CFO 2014*
